PLANT CLEANING
We specialize in industrial plant cleaning services for many industries including factories, manufacturing plants, warehousing, food manufacturing, foundries, hospitals, schools and universities amongst others.

- Pneumatic Vacuuming
- Chemical
- Foam
- Dry Ice Blasting

DUST COLLECTION
Dust collection is an integral part of meeting Global Food Safety Initiative, and OSHA standards. Recoveron Industrial Services can help you achieve those standards through a comprehensive dust collection program.

PAINTING INTERIOR
From heavy industrial applications (equipment, walls, floors) to office spaces, you can rely on Recoveron Industrial Services to take care of your needs. We offer skilled execution from the start, surface preparation, to the finish, professional painting and complete clean-up for any size job.

- Machinery
- Line Production
- Interior Walls
- Ceilings
- Girders
- Cranes
- Beams
- Stairwells & Catwalks
- Safety

PAINTING EXTERIOR
Protecting your facility from the outdoor elements is very important. We make sure your facility is protected by thoroughly preparing all surfaces.

- Buildings
- Silos/Tanks
- Mechanicals
- Safety

DRY ICE BLASTING
Dry ice blasting is a remarkable process that has revolutionized industrial cleaning maintenance. Dry Ice Blasting is similar to sand or soda blasting, where a medium is accelerated in a pressurized air stream to impact the surface that is to be cleaned or prepared. But that is where the similarity ends. Instead of using a hard, abrasive medium to grind on the surface, dry ice blasting uses soft dry ice, making it completely non-abrasive.

- Walls, Floors & Ceilings
- General Equipment
- Production Lines
- Fans & Turbines
- Generators
- Pipes & Hoses
- Motors/Electrical Boxes
- Gears
- Printing Presses
- And Much More

FLOOR CARE
Epoxy floor coatings allow for the color variety that comes with paint but the durability of a much stronger material. Epoxy floor coverings can take foot traffic, vehicular traffic and sustain wear and tear from many industrial tools and equipment.
QUALIFICATIONS

- In-depth knowledge of AIB, BRC and SQF requirements to ensure compliance with Global Food Safety Initiative (GFSI)
- All employees are OSHA approved and lift certified
- Servicing all of Wisconsin, Minnesota, and Illinois plus, Michigan’s Upper Peninsula

OUR TEAM

Andy Kaye, President, Founder and Owner
- Business Leader for more than 20 years
- Involved with the day to day operations of the company
- Entrepreneur at heart
- FOR FUN, Andy likes bicycling (road, mountain, fat biking)
- IMPORTANT to Andy are Faith, Family and Friends

Mark Weyenberg, Project Manager
- Certified in Industrial Plant Cleaning, Dust Collection and Painting
- AIB, BRC and SQF Affiliations
- FOR FUN, Mark enjoys all outdoor sports
- IMPORTANT to Mark are Faith, Family and Friends

Steve Broekman, Project Manager
- 17 years of experience in the field and managing projects
- 25 different IICRC certifications (Journeyman Status) and
- 6 certifications with the IRA
- Degree in Business Administration
- FOR FUN, Steve coaches Little League Baseball

Eric Herzfeldt, Project Manager
- 13 years of experience in the field and managing projects
- 10 different IICRC certifications
- Qualified in Industrial Plant Cleaning & Painting
- Degree in Supervisory Management
- FOR FUN, Eric is President of the Musky Club and an avid fisherman
